Not Much After Ail.

After some figuring several large property owners have come to the conclusion that the Olf per cent reduction allowed to tax payers by the city who paid up by November 1. was not as influement to pay at once. They find that the interest on their money up to the time when the taxes must be paid would amount to as much if not more than the reduction allowed.

That Obnoxious Freuse.

Ramors are affait that the inhabitants west of the San Fedro are beginning to get extensely angay and dissanified with regard to Major Kumpunan's fencing in Washington square, the property of the people, and they are years go so far as to irse shown the hated fence, and the building, too. Alderman Pauly seems to come in far a good share of the bad feeling, too.

Messra. Pancoast & Son and the newspapers
who published the account of his detection.

A Dangerous Hole.

A Dangerous Hole.
For some time there has been a dangerous hole in San Pedra awarus at the west end of the bridge Upper Labor diste. The decline is to great that whenever two vehicles attempt to saw one another the outside is as likely as not on topple over. A few lands of gravel or dist would remedy this evil.
